# 2010 CYCLE Program

**Cooperative Youth Conference & Leadership Experience July 14-16, 2010 Jefferson City**

**Sophomores:** Are you a leader in your community and school? Do you want to learn more about Missouri State Government? Would you like the opportunity to connect with other youth leaders and attend a national award winning leadership program? Do you want to make a difference in your community? If you answered **YES** to any of these questions, then **CYCLE** is for you!

**What is CYCLE?** The Cooperative Youth Conference & Leadership Experience (CYCLE) is a program sponsored by Missouri's Electric Cooperatives. CYCLE brings together some of Missouri's brightest young leaders. The focus is to provide students with an inside look at Missouri State Government, teach leadership skills and learn more about electric cooperatives. Make new friends, take exclusive tours, attend keynote presentations and delegate events. CYCLE is a truly unique and exciting leadership experience – Not to mention...FUN! Cuivre River Electric will select **SIX** 10th grade students on May 7 to participate in Missouri's CYCLE program held in Jefferson City on July 14-16. You could be next! Just enter and win!

**National Community Service Community Investment Award:** The Association of Missouri Electric Cooperatives (AMEC) CYCLE Program received the National Community Service Community Investment Award from the National Rural Electric Cooperative Association in 2006. This esteemed award honors AMEC's commitment to youth development through programs that help young citizens learn about electric power, develop leadership skills and make contributions to their communities through a variety of activities that emphasize electric cooperatives and the cooperative business model.

**Leadership Development:** Missouri electric cooperatives are helping their youth to understand Missouri State Government, cooperative principles, learn to make good decisions and develop a positive outlook about public service. By engaging youth through the CYCLE program, electric cooperatives are helping to teach important skills to new generations of young citizens who will help their communities and nation grow.

## 2010 CYCLE Program Official Rules

1. Entries may be submitted by high school sophomores attending school in Lincoln, St. Charles, Warren, and southern Pike counties (*Except children, grandchildren, brothers or sisters of Cuivre River employees or directors*).
2. Entries must be received by **April 30, 2010 before 4:30 p.m.**
  - You may deliver them to a Cuivre River Electric Cooperative office (located in Lake Saint Louis and Troy).
  - Mail: 2010 CYCLE Program, c/o Cuivre River Electric Cooperative, P.O. Box 160, Troy, MO 63379
3. Applications will be reviewed by the Cuivre River Electric CYCLE Committee. Six students will be selected based on their community service, scholastic achievements and leadership experiences.
