What is Operation Round Up?

Operation Round Up is a community outreach program funded by Cuivre River Electric Cooperative members. Participating members contribute an average of \$6 annually by voluntarily "rounding up" their monthly electric bill payments to the next highest dollar.

What is NOT eligible for funding?

Examples of items which **DO NOT QUALIFY FOR FUNDING** include: electric, propane/gas, telephone, cable, satellite or internet bills; mortgage, rent deposits or payments, real estate/personal property taxes, home/renter's insurance payments, automobile expenses, credit card or collection agency payments and food. Other restrictions may also apply.

Who is eligible for funding?

Members and non-members who live within the CREC general service area are eligible. This area includes parts of Lincoln, southern Pike, St. Charles (**excluding 63301 zip code**) and Warren counties in Missouri.

How can an individual or family apply for funding?

Applications are accepted by mail or in person (addresses listed below). Deadline for applications is the **last day** of each month. Incomplete applications will not be considered or kept on file. Repeat applicants must submit a new application.

How much can an individual or family request?

Individuals are eligible for Operation Round Up assistance up to \$2,500 per year. Families are eligible for up to \$5,000 per year.

What is the selection process?

Funds are administered by seven volunteer members of the Cuivre River Electric Community Trust Board. Applications received by the deadline (last day of each month) will be reviewed by trustees at a meeting held on the second Thursday of the following month. Applicants will be notified within seven days of the meeting regarding the status of their application. Checks for approved applications are written to the service provider, **NOT** to the applicant. **Funds are not available without trustee approval at the monthly meeting.**

What types of needs are eligible for funding?

- **Health:** help families cope with illness and special medical needs;
- **Youth:** assist area youth organizations and individual activities which promote good citizenship and help develop strong, healthy communities;
